Thessaloniki, 16 August, 2022

To whom it may concern,

Below please find the advantages for participating in the 6th Intranational Medical Olympiad to be held in Thessaloniki on 4-6 November 2022.

- a. All presented parkers will be original and shall have a 5 min discussion. An extended Summary for every paper followed by 2 questions given by the scientific Committee and answered by the author will also be printed in the Book of Summaries of the Olympiad.
- b. The 6th Medical Olympiad is under the auspices of the Dean of the School of Hygiene and of the President of the Medical School of Aristotle University of Thadani. The Mayor of the City will open the Event. We asked other Medical Schools to cooperate. A Group of International Advisors meets on every Olympiad and gives advice as for better organizing the Olympiads.
- c. The attendants will receive in total **11 European Educational CME-CPD credits**, in case they attend all seven sessions of the Olympiad, divided by the number of sessions they will attend. These credits are for MDs who must complete a questionnaire before receiving the diploma of attendance etc.
- d. Three metal prizes, (first golden) and gifts will be awarded, accompanied by a Diploma.
- e. Useful information will be given to TV, Radios and he Press, so that the public may be able to communicate with the Authors of the original papers and find out how can benefit from the original papers announced.
- f. Some of the papers already submitted and accepted, refer to the treatment of Angina, the treatment of malignant diarrhea, the diagnosis of Parkinson's disease, the increase of beta amyloid and tau protein by age etc.
- g. A five points Practical Questionnaire, which is now given as a competition, will be answered during the Olympiad.

The President of the Organizing Committee and of the Association,

Professor Emer. Philip C. Grammaticos
